

**Detention Furniture  
Stainless Steel  
Stool (Round Bar)  
Model: X-517-R**

**PART 1 GENERAL**

**1.01 Description**

The products shown on the plans and herein specified are the products of Kane Innovations, Erie, Pennsylvania. This manufacturer's name and products have been used to establish the standards of construction and quality of workmanship required for this project. Manufacturers bidding on this project must be actively engaged in the fabrication of specified items for a minimum of five (5) years prior to the bid date. Manufacturers requesting approval to bid their products, as equal, must submit to the Architect full-size drawings, including details of construction.

**1.02 Submittals**

Manufacturer shall submit shop drawings, showing details of attachment to surround materials and elevations showing scope of the project.

**1.03 Warranty**

The products supplied by Kane Innovations on the designated project shall have a one (1) year warranty against any proven defective material or parts, as called for in the specifications and approved shop drawings. This warranty does not cover abuse by others.
